ARTICLE CODE	DESCRIPTION
HBC-0855	Summit edge blender hbh855 - 3.5 hp - bpa free container 1.4l

BRAND

Hamilton Beach Commercial

PRODUCT DESCRIPTION

Powerblend technology: delivers fast and consistent results for even the toughest recipes
Stackable 1.4L BPA-free copolyester container with mess-free spout for easy pouring and laser-etched measurements to last a lifetime
Powerful 3.5 peak (input power) HP motor with hybrid drive coupling, delivering ample power and torque to the stainless steel blade
Capacitive touchpad with 6 one-touch programmable buttons, variable speeds and pulse
Double-wall motor base, redirects airflow to reduce sound
Quit Shield sound enclose, features tool-free assembly for fast and easy installation, removal and cleaning
Built-in sensors to extend clutch life, they prevent careless clutch grinding, the motor stops when the quit-shield is opened
Auto blend: makes a perfect drink with one touch - it automatically stops blending when drinks reach the perfect consistency
Easily accessible USB port for future program updates
Removable jar pad included
Warranty: 3 years on parts and labor, lifetime on the blade
Cord length: 1.89m
