Alixo Heat Pump Mover & Lifters

Safely move heat pumps by one person

Features

- ✓ Reduces the risk of personal injury or damage to the pump
- ✓ Complies with UK/EU Manual Handling / Health and Safety regulations
- ✓ The Heat Pump Mover takes on 80% of the weight
- ✓ Highly maneuverable and suitable for all surfaces: mud, gravel, grass, etc.
- ✓ Saves time and energy, as one person can now move the pump alone
- ✓ Professional appearance: no need for straps, a forklift, or a team of people
- ✓ Delivered fully assembled with securing strap, pull strap, handle, 2 Allen keys (for maintenance purposes), and 1 accessory pouch

Art. No.: HMT-8000-000
