

linum

Premium self-service organizers

functional by design

Beverages, they are an extremely important aspect in the planning and design of **self-service corners and buffets**. Hotel, restaurant, office, school refectory or tank shop... a professional and efficiency-enhancing approach can enhance the customer experience while drastically reducing labour costs. Moreover, a well thought-out self-service set-up creates breathing space and saves time.

Linum self-service organizers :

- ✓ *impeccable set-up with an eye for design*
- ✓ *compact designs for maximum loading and minimum space requirements*
- ✓ *making cups, lids and accessories easily accessible and retrievable*
- ✓ *small investment with big impact*

Make your self-service a win-win for customer and operator.

Linum, functional by design !
