ARTICLE CODE	DESCRIPTION
CIN-9500	Inoac drain-up hose 1000mm b-s - 90° bend - straight bend - 32mm

BRAND

Inoac

PRODUCT DESCRIPTION

Integration of hose and fitting: drain-up hose is integrated with its fitting, which can reduce man-hours at installing time
Safety & reliability: fewer connection point means less risky for the leakage
The fitting is transparent which is useful to see insertion length, adhesion condition, and water flow condition
Can be connected with PVC pipes directly
Can be connected with PVC fittings directly
Detachable and rotatable fitting: easy inspection and maintenance
The red lock ring tells whether it was inserted properly
For PVC hose of 32mm
