## BRAND

Inoac

## PRODUCT DESCRIPTION

Inoac CleanDuct CD-75 duct
Dimensions: 74x62 mm
Durable ducting for a perfect finish on HVAC installations
Aesthetic, suitable for indoor and outdoor installation
Extruded PVC, perfectly laquered exterior finish
UV-stabilised
Asymmetrical shape with integrated C-profile for easy installation
Standard length: 2000 mm
Wide range of accessories
Temperature resistance: up to max. 60°C
We advise against using dark colors, such as black and anthracite, on facades exposed to prolonged direct sunlight, particularly on south- and west-facing facades. Due to higher heat absorption, these colors can heat up beyond the maximum permissible temperature
