ARTICLE CODE	DESCRIPTION
FPV-2100	2230.02 pressure relief valve - with resistor - wall mounting

BRAND

Fermod

PRODUCT DESCRIPTION

Pressure relief valve for cooling and refrigerationrooms up to -30°C with avolume between 75-5000m³
Constant electric current of 40 W
Watertight
Composite
Regulates the internal pressure through ventilation
Thermally contact controles the heating element (alarm)
Wall mounting

SPECIFICATIONS

Net weight (kg)	3.21
Color	Undefined
