ARTICLE CODE	DESCRIPTION
ASP-9490	Tripod work light - 6000 lumens

BRAND

Unilite

PRODUCT DESCRIPTION

Ultra bright 6000 Lumen 6500K SMD LED Work Light, designed for maximum visibility in any environment
This versatile light offers a stunning 6000 lumens with a 6500K daylight colour temperature, perfect for reducing eye strain and enchancing colour accuracy
Five colour temperatures (2700K, 3500K, 4500K, 5500K, 6500K) and a memory switch to remember your last setting
Dual power options with high-capacity 14.8V 5200mAh Li-ion battery or mains power, recharging full in just 4.5 hours
The two independent heads fold out 90° and pivot 3300°, and the extendable stand reaches up to 2.24 meters, offering precise light where needed
Built to last, the work light boasts super tough nylon, polycarbonate, and aluminium construction, making it IP65 dust and water resistant, IK07 shockproof, and capable of withstanding drops from up to 2 meters
Includes battery level indicators, quick release setup and a multi-country charger
Ideal solution for construction sites, outdoor events and emergency situations, providing reliable, powerful lightning whenever or wherever it's needed
Beam distance: 64 meter
Dimensions - folded: 142x142x1200mm
Runtime: 2-16H
