ARTICLE CODE	DESCRIPTION
ALX-5650	Condensing unit guard - lacquered steel - large - 1150x1600x650mm

BRAND

Alixo

PRODUCT DESCRIPTION

Solid protection guard to protect AC unit against damage or vandalism
Fast Installation: Equipped with installation hooks, eliminating the need for screws and reducing the risk of friction and corrosion
Material: protected with polyester powder coating
User-Friendly Installation: Two bars for wall mounting, complete with a spirit level for easy drilling
Security: hidden integrated safety system
Maintenance access: a door on the right side provides convenient access for servicing the condenser and connecting gauges and electrical components
Knockouts for pipework: designed with knockouts on the side and top panels for easy pipe installation
Labeling area: A solid section on the front panel allows installers to label the AC unit details
Additional accessories: Back panel and metal tray available for complete enclosure
Internal dimensions: 1100x1630x620mm
