ARTICLE CODE	DESCRIPTION
ADP-2300	Optimal duct 80x60mm - 2mtr/lng - OD80

BRAND

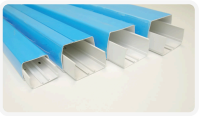

ClimClick

PRODUCT DESCRIPTION

Optimalduct consists of 2 parts
First mount the base, attach cables onto the base using spinfix and then clips the upper part onto the base
Sturdy PVC, UV-resistant
Lengths of 2000 mm (2ml)
Supplied under protective film
M1 certificate
Temperature resistance: -20°C to +60°C
We advise against using dark colors, such as black and anthracite, on facades exposed to prolonged direct sunlight, particularly on south- and west-facing facades. Due to higher heat absorption, these colors can heat up beyond the maximum permissible temperature
